ORVIETO
CARTA
UNICA

1. Get Orvieto Carta Unica

You can buy the card online, and at the points of sale in Piazza Duomo and Piazza Cahen, at the ticket offices of all the museums and monuments included in the card and the affiliated structures.

2. Decide your Itinerary

All you have to do is decide where to start and show Carta Unica at the entrances to the Museums and Monuments included.

3. Visit Orvieto and Relax!

If you can't see everything on your first visit, keep your card for next time; it's valid for a whole year!

Duomo e Cappella di San Brizio

The unique thrill of walking through the naves where the baroque sculptures of the Apostles and the magnificent group of the Annunciation have recently been relocated. In the vault of the chapel Signorelli has completed the Angelico's design with the theme of the Last Judgment.

Pozzo della Cava

A striking underground complex in the heart of the medieval quarter of Orvieto. An unusual testimony of the city's history through nine caves rich of Etruscan, Medieval and Renaissance archaeological findings that were brought to light during the excavations of the well ordered by Pope Clement VII before commissioning Saint Patrick's Well.

From 23rd December to the first Sunday after 6th of January, it will be also possible to visit the "Presepe nel Pozzo".

Necropoli del Crocifisso del Tufo

At the foot of the northern side of Orvieto to the Etruscan necropolis of Crocifisso del Tufo is one of the major funerary areas of the ancient Etruscan city. It maintained the presence of more ancient tombs discovered during the excavations. The large number of inscriptions left on the tombs are perhaps the most consistent epigraphic testimony of the Archaic age, referring to a single town community.

Museo Archeologico Nazionale

Located in the medieval Palazzo Papale, the museum holds findings from necropolises in the Orvieto area. The outstanding collection includes the "buccheri", Etruscan and Attic ceramics and among the bronzes a full suit of armor. Of particular interest is the area with the two famous painted chamber tombs from Porano.
